Special Thanks go out to all my friends and family. Without you the best season so far wouldn't be about to happen!

Hey, lets face it, without the support of the following fine companies and individuals, racing at this level wouldn't be possible -BUT we win, alot, and so do our sponsors! Please utilized their products and services to show your appreciation for their support -and don't forget to tell them who referred you!

A quick list of the individuals who make a significant impact - Rob Besst Tracy Gagliardi, Drew Lynard, Mike Swan, Rod Vener, Rod Vesser, Ben Severson, Amanda Peterson, Scott Johanson, Laura Main, The Main Store Mechanics, WSA Northwoods Challenge Staff. Of course - thanks Dad.

If you are interested in helping push the envelope in professional snocross racing with the Main Race Team and see what we can do for your team, get more information...

And of course all of the others sponsors out there who help every bit of the way. Thanks again for all your support, and see you at the races!

The Main Race Team.
